Introduction

MARCH WARM WRITE

The beginning of March is when we collect the next mark making sample and re-assess the students' goals. The stimulus we use here is Little Me- you shrink to 10cm tall and have an adventure.

We present the stimulus as a dramatic play exercise to support the imagination. I like to take a photo of my students, print it out 10cm tall and attach it to a icy pole stick for the dramatic play.

For about 5-10mins they explore the area with their puppet. The adult can converse with the student or the puppet to encourage the student to verbalise what they are doing and make connections with the task.

After the play, the students are encouraged to pair up and share for 2 minutes each, what they did as Little Me. Then they head back to their tables with the special Big Write atmosphere, and write about the time the become little. Here you may see a lot of pictorial with some attempts at 'letters' (Bella), you might see strings of letters, captions or several words, or you might have sentences developing.

5yr and 7month old Charlie, and 2yr 11month old Bella helped us out with collecting evidence for this bonus video.

Little Me

Write a story of your adventures as a tiny little person who is only 10cm tall.

What will you get up to?

Think About:

How did you become so small?
How did you feel?
What are the good things and bad things about being so small?
How will you return to your normal size.

Remember:

- Start your story in an interesting way
- Use WOW words, connectives, openers and punctuation.
- Use neat handwriting.
- Write in full sentences.
- Check and edit your work when you have finished

Assessment-Level 1

AUSTRALIAN CRITERION SCALE

Level 1

MUST MEET THESE ESSENTIAL CRITERIA BEFORE ASSESSING:

- At a minimum there should be 2 or more simple statements of 3 words or more to assess at this level.
- A simple list of statements all starting with the same key words, (e.g. 'I can...' or 'I like...') cannot be assessed above a 1B unless chosen for a specific purpose, i.e. poems.

THESE BECOME NECESSARY GOAL TARGETS FOR STUDENTS AT A MID GRADE 1 OR ABOVE LEVEL.

Listed in an approximate hierarchy:

** May need to assess in multiple sittings or set up a specific task*

1	Can use simple words and phrases to communicate meaning. (Majority of work can be read/decoded by an adult without assistance from the child. Minimum of 2 or more simple statements of 3 words or more.)	
2	Can spell some onset and rime, CVC words and common monosyllabic words accurately. (10 simple regular words to assess beyond 1B.)*	

Must meet essential criteria above to obtain level 1.

3	Can produce own ideas when writing personal recounts and simple texts.	
4	Can make phonic attempts at unknown words.	
5	Can usually give letters a clear shape and orientation. (Known letters and most words can be deciphered even though inaccurate.)	
6	Can write any simple imaginative, persuasive, informative texts or lists, and understands the structure of texts, (top to bottom, left to right).	
7	Is regularly using finger spacing in their writing, (at least 50% accuracy for 1C and 80% accuracy to count as a point for 1B or higher).	
8	Can control use of ascenders/descenders, upper/lower case letters in handwriting, although shape and size may not always be consistent.	
9	Is beginning to demonstrate capitals used for names and at the start of sentences and full stops.	
10	Can produce a series of sentences that remain on task, (a developed idea).	
11	Is beginning to show some control over word order producing at least one logical, grammatically correct statement. (Not necessary to have full stops and capital letters, but a clear & accurate statement.)	
12	Can use vocabulary that is coherent and appropriate.	
13	Can make recognisable attempts at spelling words not known. (Most can be decoded without child's help.)	
14	Is beginning to show an awareness of how words can be used to make sentences more vivid by adding description and detail. (May be adjectives, adverbs and/or more specific nouns and verbs.)	
15	Is using capital letters for names and boundary punctuation, (full stops followed by capital letters with at least 50% accuracy) and <u>may be</u> experimenting with question marks and exclamation marks.	
16	Is beginning to edit text within spelling and/or punctuation, (e.g. capital letters, full stops, question marks and/or exclamation marks).	

Assessment:

5 - 7 = 1D (End Foundation)

8 - 9 = 1C (Beginning 1)

10 - 13 = 1B (Mid 1)

14 - 16 = 1A (End 1 / Beginning 2)

The page numbers mentioned on the schedule, refer to the pages you can find the stimulus in the Cold Write Assessment Pack, available to purchase in the digital store.

Further P.D

BIG TALK FOR PRE-WRITERS

Big Talk for Pre-Writers will focus on supporting children who are not yet writing. Big Talk can occur in Early Childhood settings, in the first few Primary School years, or through intervention. This is an essential first day in implementing Big Write & VCOP in the Early Years and to support pre-writers. It is an interactive PD and the whole day is broken up with numerous games and activities that can be differentiated to suit multiple learning abilities, and where oral language is the focus. You'll leave confident and ready to support your pre-writers.

INTRODUCTION TO BIG WRITE AND VCOP

A Big Write is the chance for the students to celebrate their writing and show off the learning goals they have achieved for the week. They will learn how to up-level their work and create a 'writer's voice' by using their VCOP skills (vocabulary, connectives, openers and punctuation). Delve into an overview of the Big Write week, including a breakdown of the Big Write and VCOP Day- complete with a mini VCOP, Big Write Session and self-editing. Take it further with the intensive student analysis and learn how to model Breakdown Buddies and highlighting. Plus we'll have a brief look at the Student Criterion Scale where you'll learn how to assign a marking level using the Australian Criterion Scale and get overview of Cold/Warm Writes and Data Tracking.
